＜注意＞

1. The schedule is subject to change during the academic year.
2. “Department of Industrial Technology and Innovation” in the Graduate School of Engineering follows the academic calendar that applies to the Faculty and Graduate School of Engineering, in principle. However, its calendar may be altered due to possible classes held during evening hours and on Saturdays.
3. “Cooperative Division of Veterinary Sciences” and “Cooperative Department of Veterinary Medicine” follow the academic calendar that applies to the Faculty and Graduate School of Agriculture, in principle. However, their calendar may be altered due to the necessity of classes held in conjunction with Iwate University.
4. For the Faculty and Graduate School of Engineering, no classes will be held on November 3 due to the scheduled power and water outage at Koganei Campus. Classes will be held as usual on January 26. Substitution/supplementary classes may be held on February 2.
5. For the Faculty and Graduate School of Agriculture, no classes will be held on December 3 due to the second-round entrance examination for graduate school applicants. Classes will be held as usual on January 28. Substitution/supplementary classes may be held on February 4
6. The spring/summer semester is from April 1 to Semester 30, and fall/winter semester is from October 1 to March 31 of the following year.
7. Intensive classes may be held even during summer, winter, and spring breaks at the discretion of instructors.
8. The 2026-2027 academic year consists of four quarters: the first quarter (April 1-July 31), the second quarter (August 1-September 30), the third quarter (October 1-February 5 of the following year), and the fourth quarter (February 6-March 31 of the following year). The duration of each quarter may vary from year to year.
