 - * Other required documents (Please contact your faculty/graduate school office.)

※Applicants must meet a certain level of Japanese or English language proficiency.

★ Method of recommendation

After you — students submit the documents, TUAT decides the order of recommendation priority by document screening and/or interviews. Then, when we get a request from a Pprivate Ffoundations arrives at TUAT, we will inform the students in order of ascending priorities through the faculty/graduate school office. Students who received the information can decide whether to apply for the scholarship. After — confirmation ofing the student’s intention to applying, TUAT sends a recommendation to the Pprivate Ffoundations.

- Another A separate interview or document screening may be requested by the Ffoundation.
- You can not decline your recommendation.
- You needScholarship recipients are required to joinparticipate in the Ffoundation’s exchange meeting(s)/project(s).
- Students will be informed of the results from TUAT, after TUAT receives the results from the foundation.
- TUAT will issue a recommendation for “Monbukagakusho Honors Scholarship for Privately-Financed International Students” only upon request by students.
